

# EQO Meeting

18 Jan 2007

0930

Education Center

# **Water**

- **Use North and South Wash Racks for initial cleaning of tactical vehicles.**
- **Use unit wash racks only for secondary rinses of vehicles and equipment.**
- **Use deicing chemicals sparingly.**
- **With planting season around the corner, remember that excessive use of herbicides and pesticides can pollute our lakes and streams.**

# OPEN BURNING

- Open burning is prohibited on Fort Campbell
- Use of grills, barbeques and campfires is permitted as long as trash is not burned.
- Only exception on Fort Campbell is Prescribed Agricultural Burning done by Forestry or Range Control
- If you need to dispose of materials:
  - Classified Materials:
    - Shredder/Incinerator
    - POC: Mike Adkins, G3
    - 798.2425
  - Non-Classified Documents
    - Shredder
    - POC: MWR Recycling
    - 798.2524
- To report any known violations of the open burn policy or for more information, contact DPW, Environmental Division, Air Quality Program at 798.9603 or 798.9598
